One example of constitutionalism's descriptive use is law professor Bernard Schwartz's five volume compilation of sources seeking to trace the origins of the U.S. Bill of Rights.

Constitutionalism - Wikipedia

The Origins of Constitutionalism. Jump ahead to the year 1689. In that year the English Bill of Rights was signed by King William III of England. King William III, who had previously been known as William of Orange, came to power in what is called the Glorious Revolution. Basically, the people of England were tired of King James II's pro-Catholic...

social justice directives and constitutionalism. India is constituted into a sovereign, democratic republic to secure to all its citizens, fraternity assuring the dignity of the individual and the unity of the nation.

CHAPTER 6. SOCIAL JUSTICE DIRECTIVES AND CONSTITUTIONALISM.

It appears that Constitutionalism of the classic kind has been found wanting. At the end of five decades of independence, we were still poor, still beholden to external powers, and still incapable of regaining sovereign control of the national territory. We had to shut down the city even to celebrate the 50th anniversary of independence.

Constitutionalism or Feudalism? - sangam.org

Essay on the role and activities of the Indian Constitution during the past five decades. Article Shared By. ADVERTISEMENTS: The Indian Constitution has the characteristic of being reasonably flexible, but at the same time retaining the feature of rigidity. In other words, as and when any amendment was required to be made the same was effected.

Judicial Review in Japan: An Overview of the Case Law and ...

Japanese Constitution was jointly written by the government of occupied Japan and the American government, in a process taking nine months. On May 3, 1947, this Constitution was executed by "following amendment procedures in the Meiji Constitution."

The 1947 Constitution of Japan: the Process of Democracy ...

For five decades, conservatives have claimed the moral high ground in judicial matters, claiming that they are simply interpreting the Constitution as it was written by our Founding Fathers ...

It's Time for a Progressive Reading of the Constitution

Constitutionalism: Constitutionalism, doctrine that a government's authority is determined by a body of laws or constitution. Although constitutionalism is sometimes regarded as a synonym for limited government, that is only one interpretation and by no means the most prominent one historically. More generally

Constitutionalism | law | Britannica.com

Notes to Constitutionalism. Consider, for example, Article 54 (2) of the German Basic Law which states that "The term of office of the Federal President shall be five years. Re-election for a consecutive term shall be permitted only once." 'Five years' meant five years in 1949. It still means five years in 2017.
