Five Thousand Years of Slavery Kindle Edition - amazon.com

Five Thousand Years of Slavery is an incredible multicultural book that also is a lot like informational text surrounding the history of slavery. The authors, Gann and Willen, take a stand point which emphasizes that slavery isn't something that started a few hundred years ago but rather a part of human history that started with the beginning of human civilizations thousands of years ago.

Five Thousand Years of Slavery by Marjorie Gann - Goodreads

As its title suggests, Five Thousand Years of Slavery traces the epic history of slavery across major world cultures. It has an expository, academic tone and includes an abundance of quotations from actual slaves. While the research on display is impressive, the book lacks focus.

Five Thousand Years of Slavery | Quill and Quire

Five Thousand Years of Slavery is a book that provides an overview of slavery over the different ages of humanity. I would highly recommend this book to people who would like to learn more about our past.
