

Flash Cards Subtraction

A flash card will pop up and you enter the answer using the keypad. If they enter the correct answer, a green box will appear on the left side of the card. If the problem is answered incorrectly, a red box will appear on the right side of the card. Each flash card will pop up 3 times during each level.

Quick Flash Cards Subtraction - Free Subtraction Game ...

Click the card or press the ENTER or RETURN key to flip it. Click the check mark to keep score! Click the arrows by the #25 to pick the number of subtraction flashcards. Then type the answer and flip the card. Instead of changing colors, the left counter counts your correct answers; the right counts how many flash cards you've flipped.
